Hi Auria,

Matt checked with Danla that the new due date for this controlled correspondence CPW AX-22-000-1797 has been extended to 2/22/2022. However, we need to request another extension because we are working with many offices (Region 1, ORC, OGC, and OAQPS) on the response. We would need an extension of 2 weeks so that all involved offices can brief their management before finalizing the response.

Can you please work with Beth Soltani to request the extension?

Thanks,  
Suilin

Yes, reach out to Auria. I think Beth Soltani is still the owner of this one because of some CMS issue, but Auria can coordinate with her on an extension.

Matt,

## Ex. 5 Deliberative Process (DP)

Should I email Auria to get the extension?

Thanks,

I confirmed with Danla that the due date on the South Fork CMS is in fact 2/22. She also said "Direct Reply" means we can choose whoever we want to sign it. It doesn't even have to be Rick, but I suppose he makes the most sense.
